Not All T-Shirts Are Created Equally

The following shirts from Fruit of the Loom and Jerzees are made from fine gauge yarns that are knit tighter than those on a regular T-Shirt.

*The results are a **smoother print surface** for maximum detail retention, and a **softer-hand** with **less shrinkage** for **added comfort**.*

Choose from adult and youth styles in multiple colors and sizes.

Check out pages 17, 18 and 19 for size and color availability!

Introducing a revolutionary fabric that offers much
more than meets the eye.

HIGHER DENSITY • TIGHTER KNIT • FINER GAUGE YARNS
